

ALEPPO TEMPLE

A. A. O. N. M. S.

October 7, 1930

Winchester Tercentenary Celebration

1. Nobles of the Uniformed Units will report at the Calumet Club, Dix Street, Winchester Center, on Monday, October 13, at 11:30 o'clock, a. m. and there change to uniform. BILL OF DRESS: The full dress uniform and equipment for all units, except the Third Platoon, (White Uniforms)—Fourth Platoon, (Continental and Indian costumes)—Altar Platoon, (Puritan costumes).

A box lunch will be served at the Club from 12:00 to 12:45 o'clock.

Lines will be formed promptly at 1:00 o'clock to proceed to position in the line of parade.

2. After the parade the Band will play a concert and the Patrol put on a short exhibition drill at Manchester Field, after which we will be the guests of a banquet provided by the Masons of Winchester.

It is important to know how many to provide for and a prompt reply on the enclosed postal card will assist the local committee.

3. The Potentate appreciates that to perform this tour of duty means the sacrifice of at least a part of the holiday, and may call for the changing of the plans made for the week-end, but as good Shriners we all have to give something to serve the Temple, and in this instance many Nobles are anxious that we come to Winchester and assist in the local celebration.

The commanding officer, who personally wishes it were another day, has confidence that you will do as he is doing,—pass up the week-end and "play the game" for Aleppo.

By order of

MAJOR BOLTON
